

# JUDSON ISD POLICE DEPARTMENT

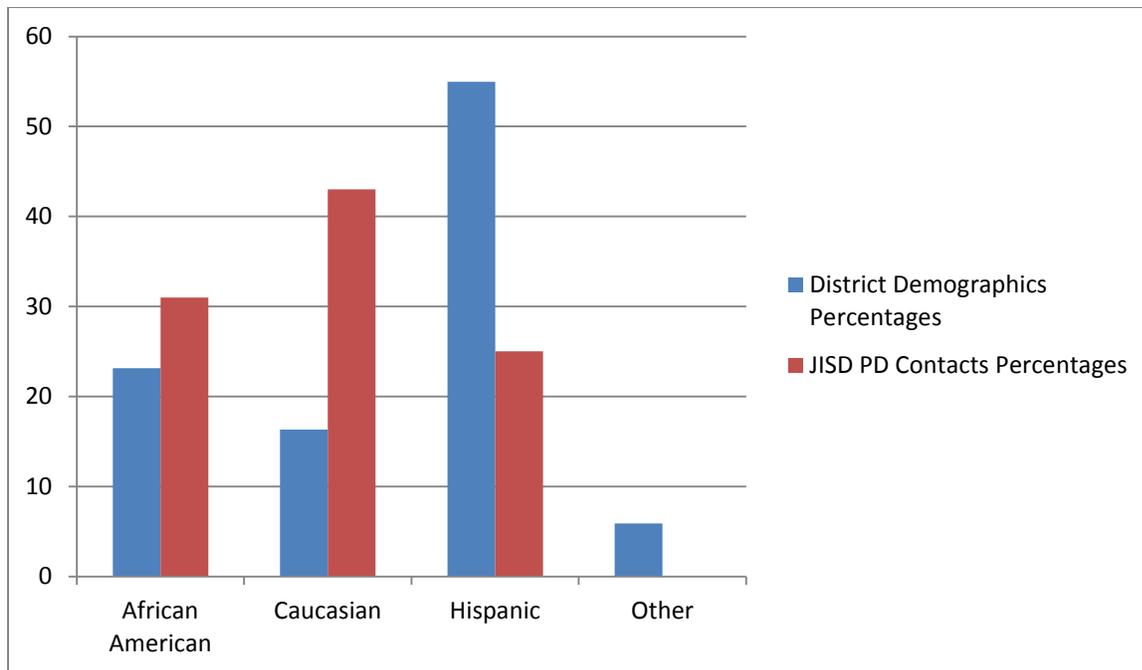

(01/01/2013-12/31/2013)

The following is an analysis of the motor vehicle contacts and the result of each traffic stop made by the Judson ISD Police Department during the reporting year of 2013. These contacts have been divided by Race/Ethnicity and then compared to the reported Race/Ethnicity of the district it serves.

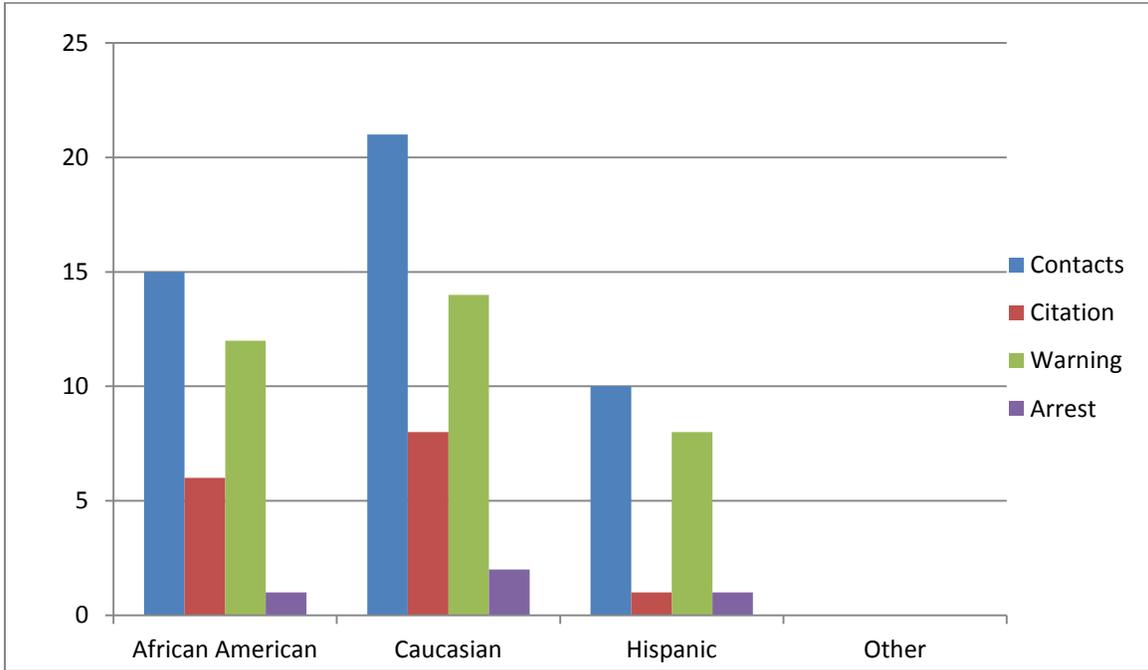

It should be noted that it is because of changes in personnel, schedules, and training in 2013 that JISD has shown an increase in vehicle contacts and while these 90 vehicle stops make up only 0.025% 3,673 total calls for service, this increase is why JISD PD chose to report in full.

The JISD Police Department has not had any complaints of Racial Profiling.
