To whom it may concern,

Sgt. Christopher Andrews, prepared the attached Racial Profiling Statistics for calendar year 2012 and has all the work product details.

I reviewed the 2012 Racial Profiling Statistics and have approved them.

Anyone having questions or concerns can feel free to contact me.

Even though my department qualifies for partial exemption, I choose to fully disclose all stops.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Robert Flores', with a horizontal line drawn through it.
